American Cruise Lines is the recognized leader in small ship cruising and the largest cruise line in the U.S. with the newest and most environmentally friendly fleet. American Cruise Lines visits 25 states in the Pacific Northwest, Alaska, New England, the Southeast, and the Mississippi River regions. The Line has over 35 itineraries, ranging from 5 to 22 days in length, and has been consistently recognized for providing personalized service aboard the finest ships. With 30 years of experience in cruising, American Cruise Lines exceeds the expectations of the most seasoned and sophisticated traveler.

### Leading the Way

American Cruise Lines has a fleet of 11 small cruise ships including: coastal ships, authentic paddlewheelers, and the only modern riverboats in the U.S. The Line is the premiere leader in the industry and has become the gold standard for cruising in the U.S. through a focus on ship innovation and a tradition of introducing only brand new ships. With two new vessels introduced in 2018 and another in 2019, the Line continues to operate the largest modern fleet in the U.S. and offers the most diverse selection of ships available in the industry.

All-American

American Cruise Lines provides their guests a truly all-American experience. With a new all-American built, crewed, and flagged fleet, the Line offers exclusive small-ship access to the most unique destinations in North America.

Guest Profile

Our guests are mature, well-traveled, and highly educated. Many are retired, travel with family, and have served in our military. They seek enriching cultural experiences and comfortable hassle-free travel in the U.S.

Enrichment

On board and ashore, American Cruise Lines works with our guests to accommodate specific interests, tastes, and needs. We offer over 160 guided shore excursions that showcase the distinct flavors and unique cultures of the regions traveled. Each excursion is meticulously planned and supported with personal guides who are well-versed in the history of the region, so guests can fully appreciate the significance of each port-of-call. The Line also invites carefully selected experts on board for enrichment programs, including informal lectures, open discussions, concerts, and activities that bring local history, nature and culture to life. Additionally, American Cruise Lines offers evening entertainment on board each night.
American Cruise Lines’ new ship designs create an intimate atmosphere for guests seeking the attentive personalized service that is the hallmark of the brand. The Line has the largest staterooms in the industry featuring all the amenities of a modern hotel, including full-size bathrooms and furnished balconies. All staterooms have interior entrances offering maximum privacy and providing guests unobstructed views through floor-to-ceiling, sliding-glass balcony doors.
